

CRIMEAN FEDERAL UNIVERSITY

About University

MBBS in Russia is one of the most popular program among Indian students. More than 6,000 Indians have returned since last 20 years of Indians going to Russia. In 2014, Russia took over the complete control of this Crimea region from Ukraine. Accordingly, every year this university is widely opted by Indian students since the degree is accepted by Russian authorities in education ministry. The surrounding and the campus is an extremely peaceful and void of any distractions. The university situated in the city of Simferopol which is very beautiful city.

Many agents in India wrongly communicate that Crimea is unsafe which is absolutely untrue. Highest number of Indian students - around 850+ study MBBS in this university. However, it is amply clear that the region is completely controlled by Russia and one can easily search that on the internet. Further, the Medical Council of India also has confirmed in the latest list of approved MBBS universities abroad that the university is present in Russia.
