## About University

The history of Penza State University goes back to July 1943, when Odessa Industrial Institute was relocated to Penza from the city invaded by the Nazi army. By 1 November that year, everything had been ready to accept students. 600 individuals, including 525 freshmen, started their studies here. Sergey Berezko, first Director of the Institute, is credited with laying down the basis for successful growth of the educational institution.

In the 1940s, the city and the region felt the great need in professionals in industries, and the new educational institution was to satisfy that growing demand. Originally, the university was called Penza Industrial Institute and comprised three faculties, namely, Faculty of Mechanics and Technology

# Prepare for Medical PG in Germany while pursuing MBBS in Russia

## BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. SPEC conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
